Four Incumbent City Officers Return to Office as Over 3700 Citizens Vote Last Monday

Dog Ordinance Trails, Ordinance Plan Is Approved in Heaviest Vote Ever Polled in the City of Albany

In the heaviest voting ever reported in Albany, voters went to the polls last Monday to cast more than 3700 ballots. First returns from 28 precincts began coming in to eager citizens shortly after 9 p. m., with final results becoming known around 11 p. m. for the seven offices.

Immediately after the polls closed, at 8 p. m., telephone calls began flooding the "Times" office with requests for information on the results. First callers were told that the "leash law" had apparently been passed, as early results gave the measure a slight majority. Indeed it was not until all precincts had been heard from that the fate of the law was definitely known, defeat by a margin of 132 votes.

SCHOOL RACE CLOSE

Closest opponents for office were Leon R. Hess and Dan C. Atwater, School Board candidates, with final tabulations giving Hess the post by the slim majority of 22 votes, his count being 1657.

According to City Clerk H. W. Brewer there were 56 applications for absentee ballots, although not all had been returned at a late hour last night. The contest between Hess and Atwater is therefore the only one that could possibly be changed by these votes.

Mrs. Josephine Foley, incumbent secretary of the School Board, was returned to office by 1909 voters. Robert E. McCullough placed last with 1524 votes, less than 400 behind.

JESTER IS ELECTED

Election of Lloyd G. Jester to office of Chief of Police, with a total of 2635 votes, was the final outcome of the race between him and Alexander L. Ford, who drew 1012 votes. Jester had been endorsed by John Glavinovich, retiring chief.

Louis J. Hardie's election as Police Judge was clinched for him by last figures which showed 2082 persons had cast their ballot for him. Next highest was Irving M. Linder with 1201, while C. Henry Levey ran third, polling 285.

A marked upset in the election was scored when Joseph J. Yovino-Young beat Cecil N. Lavers, incumbent City Attorney, by a majority of 228. The winner received 1859, the loser 1631.

Incumbent Councilman Frank V. Hays and Benjamin W. Mowday were assured of another four years to serve by totals of 2180 and 2156, respectively. Their opponents, Ernest Blow and Harold L. Burlingame, trailed with 1260 and 1321.

PROPOSITION OKEHED

By the substantial figure of 2216, Proposition No. 1 was approved by the electorate. This gives the City Council the right to decide whether ordinances shall be published or posted in three public places. Registering their disapproval were 668 voters.

In addition to the number of ballots cast, which amounted to over 63 per cent of the City's registration, 5826, observers noted that voters in most cases were not following party tickets. It was pointed out that while the United Citizens League gained the election of five of its candidates, the Albany Progress League seated two of its incumbents, Mrs. Josephine Foley and Judge Louis J. Hardie, by sizable majorities.

Complete precinct returns are given on page three of this issue of the "Times," as are pictures of the victorious candidates, who will be sworn in Monday night.

Theater Plans Awards

Many fine awards await adult patrons using the profit-sharing coupons now being distributed at the Albany Theatre, reveals Manager Frank Jenkins. Articles available are on display in the lobby of the theater.

This feature is in addition to the regular overnights each Wednesday as well as stage events on Thursday and Saturday nights, he said.

Employees Given Time Off Today

An opportunity for City employees to attend religious services today in observance of Good Friday was furnished by the action of the City Council last week. Members voted to permit employees, excepting those in the Fire and Police Departments, to be off duty between the hours of noon and 3 p. m. today.

Offices in the City Hall will also be closed during these hours, it was announced.

Nausins Open "Food Center"

Mr. and Mrs. Frank Nausin, formerly in business at 1009 San Pablo Avenue for the past 13 years, recently purchased the building at Masonic and Portland Avenues and are now open in their new place of business, Nausin's Food Center.

They have announced that they will carry a complete line of domestic and imported groceries and products, in addition to a full selection of attractively displayed vegetables and fruit. A modern delicatessen section and meat department are also maintained.

Pioneers in Albany and known to hundreds of local residents, the Nausins will continue the same policy of quality merchandise and courteous service that has brought them success in the past. An invitation to old-time friends as well as new ones was extended yesterday by the pair to inspect the new establishment.

"In our new and modern store building," they promised, "we will be able to serve our many patrons and friends with the finest in merchandise at reasonable prices. We will endeavor at all times to handle only the best the market affords."

Local Dinner Is Scheduled

Albany city officials and members of the board of directors of the local Chamber of Commerce will be guests at a dinner party and meeting next Tuesday night at 8 o'clock, at De-Biasi's, announces Mrs. Beatrice Raymond, president of the organization. At that time the Metropolitan Oakland Area subcommittee of which she is an active member will be the host.

The gatherings are held in the smaller cities to discuss their problems and how the above group can aid in the solution of these questions, she said. The visiting delegation will be headed by William P. St. Sure, general chairman, and will include representatives from various Alameda County chambers of commerce.

Of special interest to local citizens and merchants, she pointed out, is the fact that the name of the group was amended to include the word "Area" through a suggestion made by her by City Attorney C. N. Lavers. Acting on his idea, she finally got the change accepted, due to support from representatives of other smaller communities in this county.

IS NAMED DELEGATE

G. D. Gaeta, local builder, was recently named delegate to the State convention, Knights of Pythias, to be held at Santa Rosa next month by Ballila Lodge of the organization. He will be accompanied to the meet by Joseph Yovino-Young, city attorney-elect, who is grand chancellor of the Oakland lodge.

Miss Virginia Kennedy, former cashier at the Albany Theatre, who is now teaching school in Center ville, returned Wednesday to visit her many friends in this city.

Miss A. M. Lothrop of Boston is expected to arrive in Albany some time next week. While here, she will be the houseguest of her sister, Mrs. A. P. Hanscom of 1077 Kains Avenue.

Mr. and Mrs. Frank Piantaia, residents of Albany for many years, are now operating the grocery store at 1009 San Pablo Avenue.

C. of C. Meet Held Tuesday In City Hall

Inclusion of four new members on the board of directors and reelection of present officers, were highlights of the meeting Tuesday night of the Albany Chapter of Commerce. The group also held a discussion to determine reasons for the poor success of the recent "Buy at Home Week" program which it sponsored.

Under the direction of Mrs. Beatrice Raymond, president, the members voted to increase the board of directors from seven to 11. Named to fill the four new positions were Frank Hartley, Cecil N. Lavers, Oge Dagna and Leighton MacGregor.

A unanimous report from the nominating committee voted to retain the present set of officers, headed by Mrs. Raymond. Pointed out in the recommendation was the remarkable progress the group has made in the past term under the leaders. Membership has jumped from 16 to 66, it was disclosed.

Also to serve again are these officers: Jack Varni, vice president; A. B. Taveira, secretary; Mrs. May Ellis, Charles Terry and J. P. Williams, directors, and Mrs. Minnie Lou Eakin, national counselor. Lack of cooperation by merchants was the main cause that the buying campaign failed, according to several opinions expressed. Praise was given Neil Crowley for his efforts to make the event a success and a paid-up membership for the balance of the year was voted him in appreciation.

Mrs. Eakin declared that "pressure" should be put on representatives in Washington to remedy the shortage of large ships on this coast, a condition intensified by the recent withdrawal of intercoastal vessels to the Atlantic.

Announcement was made by Mrs. Raymond, who has been named by Postmaster Frank M. Whiting to serve on the committee in charge of the Berkeley-Albany participation in National Air Mail Week, of the ambitious program to be undertaken on the occasion to mark the twentieth anniversary of the service.

The meeting was held in the Council Chambers of the City Hall.

Dinner Tonight Fetes Candidates Named to Offices

Plans for tonight's "candidates-elect dinner," to which all winners in the election have been invited, are complete and the affair will be held at De Biasi's at 6 p. m., reports Walter E. Teasdale, chairman of the event.

Special homage will be paid John Glavinovich, retiring chief of police, Teasdale said. The official, whose term of nearly 26 years' of service in this community ends next Monday, will be the guest of honor.

Tickets for the affair are nearly gone, it was revealed last night. Attendance has been limited to 100 persons.

RETIREES

Police Chief John Glavinovich officially goes off duty for the last time Monday, as his retirement becomes effective.

Mayor Names Committee

In order that Albany may be fully represented and take an active part in the celebration of Air Mail Week, May 15 to 21, Mayor O. C. Yenne has selected a representative group of citizens on the local committee, he announces. The official was asked by Postmaster Frank M. Whiting to aid in the event.

Named by Yenne were the following:

Charles A. Moore, Kenneth Glines, Eugene Baker, Miss Anna Brubaker, Mrs. Jessie Williams, Fred Repp, Mrs. R. G. Poppe, Ted Williams, Ed Ryken, J. R. Moore, Lloyd C. Hare, Fred Clute, Herbert Ham, Mrs. George Sutton, Mrs. Dan Atwater, Carl Nieper, L. F. Macdonald, Mrs. Marjorie Kane, Jack Varni, John MacCann, Alfred Walters, James Sartain, A. B. Taveira and Mrs. Charles B. Lyon.

Mrs. Beatrice Raymond, president of the Chamber of Commerce, has already been named by Whiting on a committee but will also take an active part in the local arrangements, it was said.

Legion Post Seeks Chorus

An immediate need for 75 girls, from 8 to 14 years of age, is holding up rehearsals on "Sunny Skies," the gay musical comedy to be presented next Thursday and Friday nights by Albany Post No. 292, American Legion.

This fact became known today as the Post revealed that a singing and dancing chorus of young Albany misses is being sought to take part in the production. Miss Margaret Hoobing, the director, will be on hand at the Veterans Memorial Building this afternoon at 4 o'clock to register the girls. Rehearsals will begin as soon as possible and will be held for an hour each day until the performances are given.

A cast of 75 local persons will be seen in the pretentious show. The scene of action is laid in Kentucky, with a novel plot that has been acclaimed wherever the play has been given, it is said. Among the main characters are a stern father, a beautiful heroine, a spinster who finally weds and others to provide a fast-moving musical comedy.

Special numbers listed include "Go Into Your Dance," "Dixie Rhythm," "My Lady of Crinoline" and many others.

Mrs. Scholz Heads Group

Reelecting Mrs. Bertha Scholz president for another term, members of Leland Bergesen Auxiliary, V.F.W., also named officers to occupy the other posts, in a meeting held Tuesday night in the Veterans' Memorial Building.

Also chosen were the following: Mrs. Maxine Vierra, senior vice president; Mrs. Loma McSorley, junior vice president; Mrs. Olive Blair, conductress; Mrs. Dorothy Maurer, treasurer; Mrs. Theresa Ham, secretary; Mrs. Eva Burns, patriotic instructor; Mrs. Mary Garrity, historian; Mrs. Ella Geromolus, banner bearer; Mrs. Eva Kyle, Mrs. Olga Thomas, Mrs. Beulah Harper, Mrs. Edith McCampbell and Mrs. Winifred Hayhurst, color bearers; Mrs. Myrtle McCampbell, trustee; and Mrs. Maurer, delegate to County Council.

A joint installation of officers will be held with the Post next Tuesday night, instead of on April 26 as was previously announced. The program is to commence at 8:30 p. m.

Yesterday a delegation of Auxiliary members visited Livermore Hospital to distribute Easter baskets to disabled veterans.

Plans Program for Acacia Club Meet

A most interesting program is promised at the meeting tonight of the Albany Acacia Club, according to Lloyd G. Jester, vice president and newly elected Police chief, who will be in charge. The session is to begin at 8 p. m., will be held in the Macabee Temple.

Members are urged to attend and bring their Masonic friends.

BIDS FAREWELL TO KIN

Gerald Murphy, local Chevrolet dealer, took time out from business Monday night to bid goodbye to his father, James J. Murphy, and his brother, C. B. Murphy, who were leaving for the East. The former was departing for New Brunswick to visit his home town for the first time in 54 years. A business trip was taking the latter to Lansing, Mich.

Mr. and Mrs. William Eynon are opening a grocery store at Masonic and Brighton Avenues, formerly operated the store at Masonic and Portland.

Mr. and Mrs. J. M. McCarthy, Jr., 819 Cornell Avenue, are vacationing in southern California, it is reported.

C. E. Morris is now associated with the sales department of the Murphy Chevrolet Company.

City to Miss "John" After Retirement

Veteran Chief Becomes Landmark in 26 Year Term

As the date of his official retirement nears, citizens of Albany are realizing more acutely what the loss of Police Chief John Glavinovich in his official capacity is going to mean to them. He has become so closely associated in the minds of everyone, with this City and its Police Department—he would have served 26 years on May 1—that his khaki-clad figure is going to be missed from the City streets for a long time to come.

As the new chief takes his oath of office next Monday night, it will mark the end of an era in the minds of many of the residents here and elsewhere. With all due credit to Lloyd Jester, who will undoubtedly bring the department new recognition and acclaim, there are many who will mark the occasion with a tinge of sadness.

It will mean that "John," as he is affectionately known to everybody, has officially retired. There are parents now living here with their children who can easily look back and remember when he used to discipline them as they played pranks when younger. There are those who can thank him for sound advice administered when they were a bit thoughtless.

Under his guidance that has kept this City as one recognized all over as a clean place to live, Albany has grown from a small community to one that boasts a population of more than 16,000 today.

From the little children who have been greeting him daily as he guided them safely across the streets, to the older people who have come to look on him as an integral part of Albany and its daily life, his departure from the official scene will be a blow. It will almost be as though some force had removed an apparently immovable object from the familiar horizon.

Despite this official action, however, it is safe to assume that "John" will return often to his corner at Solano and San Pablo Avenues, to pass the time of day with his multitude of friends, and to visit scenes he has looked upon for more than a score of years.

Albany Scouts to Hold Camporette At Local Park

More than 120 Boy Scouts from the four Albany troops, each carrying luggage weighing one-fourth his own weight, will trek into University Park on Saturday morning, May 7, and hold a camporette which will last until Sunday evening, May 8. Thirty leaders will accompany the Scouts.

Fire-building, races and many competitive tests of skill will take place and awards will be bestowed upon the winners. Saturday evening a program will be staged in the flickering light. It will include the initiation of two cubs into the troops.

During their sojourn the Scouts will pitch their tents, prepare their own meals and exemplify camp life. Sea Scouts will police the grounds under the leadership of John Ryan and William Newman.

W. R. McGeorge has been named as general chairman. His committee consists of Cy Perkins, Jack Rubenstein, Frank Graeber, Dr. Everett Coe and Theodore Droroff.

Participating troops and their sponsors are Troop No. 12, American Legion; Troop No. 42, Marin Dads Club; Troop No. 45, Albany High School Dads Club and Troop No. 46, Albany Community M. E. Church.

Two weeks later all Scouts from the Berkeley-Contra Costa area will hold a Camporette in Tilden Park, under the supervision of Victor Lindblad, scout executive.

Do you want to SAVE MONEY?

The Standard Coupe

The Standard Ford V-8, with 60-horsepower engine, gives you a lot of car for a little money.

300,000 new owners acclaimed the "thrifty 60" last year. Hundreds a day are buying it in 1938. Why?

Because it is priced low—includes essential equipment without extra charge—and goes farther between filling stations than any Ford car

ever built. Owners all over the country report averages of 22 to 27 miles on a single gallon of gasoline.

But economy isn't all the story by any means. The Standard "60" is built with the same precision as the De Luxe "85," and has the same 112-inch wheelbase chassis. It is easy to look at and ride in—as well as easy to buy and run. There's a Ford dealer near you.

Editor, Albany Times:

Allow me to commend the staff of the Albany Times for the splendid and impartial manner with which they handled the presentation of campaign material in our recent campaign. I feel certain the people of Albany, as well as all the candidates, appreciate this policy which undoubtedly reflected itself to the benefit of us all.
May I also take this opportunity to express my deep appreciation of the good-will extended me by the citizens of Albany in electing me their City Attorney. In time I hope to be able to personally thank the many friends and voters who so untiringly supported me in my campaign. In the meantime, through the medium of your paper, I desire to extend to each and every one of them my sincere and profound gratitude.
To all the citizens of Albany may I say that it is my sincere hope that all past differences be forgotten and that we will now work together for the welfare of our splendid city. As your City Attorney-elect, I reiterate my pledge to give you "Service Without Fear or Favor."

JOSEPH YOVINO-YOUNG.
Speaking for the Albany Humane Club Mrs. Repp expressed thanks and gratitude to the many individual workers, and the Albany people in general for their fine support in defeating the proposed

dog ordinance.
"We do not look on this as a victory to gloat over, on the contrary, we are humbly grateful and we ask all dog owners to show their appreciation by making every possible effort to keep their dogs from annoying their neighbors. A dog who gets attention at home soon learns that home is the best place for him to stay. Well fed animals do not go around tipping over garbage cans. Do not allow your dog to stay out all night, that's the time they get into mischief. It should also be impressed upon children that if they want to own a dog, they must assume the responsibility of seeing that he is fed and kept off of other people's lawns. I believe that with these efforts and a little tolerance this dog issue can be peacefully settled. "I also desire to thank Miss Latham of the Latham Foundation."

Editor The Times:

The United Citizens League, in behalf of all candidates and workers, desires to extend commendation to The Times for the fair attitude shown in the recent municipal campaign. The league is also grateful for space given in the columns of your paper to an explanation of the aims of our organization and clarification of the policies of our candidates. We also take this opportunity to thank Albany citizens who worked so faithfully during the campaign and on election day to achieve an outstanding victory for good government. Without the fine organization of citizens which gave many hours of hard work, there could not have been recorded the large vote cast on Monday nor results achieved as shown in election returns. The league expresses the hope that all Albany citizens will work together for a common cause — that of civic betterment.
Again thanking you for your important part in the campaign, I remain,
Sincerely yours,
ARTHUR I. RAMBO
Pres. United Citizens League

Editor The Times:
As successful candidate for chief of police, I am extending my thanks to your newspaper for generous use of its columns during the recent campaign. The Times is to be congratulated for performing a commendable public service in allowing its columns to be impartially used by candidates and organizations.
The large vote accorded me on Monday, I take, not as a personal achievement, but as a tribute to Retiring Chief John Glavinovich and the fine work he has done through the years in keeping Albany a clean city — a record I pledge myself to continue. Through your paper, I would like to extend my heartfelt thanks to the many persons who worked untiringly through the campaign and who continued their efforts on election day to get a record vote to the polls.
No public official can work alone. To accomplish good things he must have the cooperation of citizens and press, alike. I seek that assistance, so that we may work together in a community effort to perpetuate high standards of law enforcement which have made Albany outstanding.
Sincerely yours,
LLOYD G. JESTER

April 14, 1938
By means of this public letter I hereby convey my sincere thanks to all my friends and supporters, for their kind assistance and good wishes on my behalf in my recent campaign for re-election.
For the time being I am retiring from political activity and will resume private law practice on a full-time basis. My law office will remain and continue to be located, as in the past nine years, at 1057 Solano Avenue, Albany, where I will continue to serve my clients in my professional capacity as lawyer.
Again, I wish to express my deepest gratitude to my old loyal friends, and to my friends newly made during the recent campaign.

Activities at Albany "Y" And Community Center

(An Agency of the Berkeley Community Chest)

SOFTBALL SCHOOL

A softball school for young women is to start in Albany this week. The school will be under the direction of Tal Wiley, athletic director of the Albany "Y". The purpose of the school is to encourage the young women of Albany and surrounding area, to participate in more of the activities that are being organized for them, and to teach them the fundamentals of softball.
Wiley has organized the Zephyrettes into a team and they are entered in a league which will start the first week in May. The team will make a flashing appearance on the field in red and white satin blouses and white slacks trimmed in red. The group consists of 14 members, and is to be headed for the sectional play-off to be held in San Francisco this fall. This will be the first year that Albany will have a team in the league to make it possible for the city to be represented in the major circuit of softball.

The East Bay will have eight teams entered, Albany, Richmond, Berkeley, San Leandro, with one team, and, Alameda and Oakland each having two. All teams with the exception of the Albany entry are sponsored.
The winners of the East Bay division will play in San Francisco, and the winners of the sectional playoffs will be sent to Chicago to play in the National play-offs. It is hoped that the school will produce some good softball players to be placed on the Zephyrette team. Any young women who may wish to enter the school which is free, can do so by calling Thornwall 2049, or by coming to the Albany "Y" for details.

CLUBS PLAN VOLLEYBALL

The Albany "Y" will again be the scene of many Volleyball games. The Y. W. D. and the Albany "Y" Girls are entered in the Berkeley City Vol-

leyball League and will play against some of the best teams in the East Bay. The teams were forced to play independently in the last volleyball season. Meeting some of the better teams from the Bay area and playing 27 and losing 4, the teams are expected to make a good showing this season.

The Y. W. D. team will have all of its members as well as being strengthened by the addition of L. Johnson, B. Hunter, D. Whitney, and J. D'Asquith.

The Albany "Y" Girls will have the same team with the addition of D. Hawley, E. Vrang, and the Lyman twins, Sally and Nancy, who created many comments during the recent basketball season. Working with Glendene McCormick they proved to be a fast passing and deadly shooting combination on the floor.

TWO CLUBS ENTER LEAGUE

The Albany "Y" Boys and Wolf's are entered in the Albany City Softball League, and will play their games on Sunday mornings at University Park. The Y. M. C. A. will attempt to continue the program throughout the summer months, this year, due to the improbability of there being a summer camp. Any young man who may be interested in social and athletic activities may get the details by calling at the Albany "Y" or by phoning Thornwall 2949.

"Y" MOTHERS PLAN WHIST

Members of the Albany Y. M. C. A. Mothers Club are busily engaged in preparing for their whist party next Tuesday afternoon in the "Y" Building reports Mrs. R. C. Ferguson, general chairman. Play is to start at 8:30 and scorecards will cost 25 cents. The public is invited to compete for the many fine prizes.

Six teams, with the possibility of the addition of two more units, voiced their intention of entering play in the Albany Recreation Department Sunday Morning Softball League, scheduled to get under way in University Park, Sunday morning, May 1.

The latest two entries will be banded together by Tal Wiley, recreation leader at the Albany Y. M. C. A. Wiley will recruit his two aggregations from local softball players and they will be labeled the Albany "Y" Boys and Wolf Motors.

The others to play in the circuit are the Albany Recreation Leaders, captained by Darwin Walton, El Cerrito All-Stars, under the leadership of Frank Blomberg, Oakland Central Creamery, led by Ernie Cox and Ed Humann's Oakland Title Insurance.

Plans are being made to have the usual big opening festivities preceding the opening games of the first round. Field events to include running the bases, throw for distance and batting for distance. The Recreation Leaders Club will again donate the prizes for the winners of the field events.

When the softball loop opens two weeks hence the recreation leaders of the Albany Recreation Department will have a decided edge over their opponents, having already played three practice games, emerging victorious in all three. Their latest win was last Sunday at Memorial Park over Ed Humann's Oakland Title Insurance squad by the score of 16-7.

Hey! Junior G-Men, Dick Tracys and Gang Busters! Better start right in now to get your sleuthing eyes in the best of condition. There's going to be a big hunt on in Albany this Saturday morning.

No, it's not a manhunt. It's a hunt for hidden "treasure" and you'll need all your snooping powers to uncover the "treasure."

Here are all the clues: Early this Saturday morning the Ladies Auxiliary of the American Legion are going to bring the "treasure" to the offices of the Albany Recreation Department. Chief Hider Edwin S. Howell, department supervisor, and Assistant Hider Cleo Ralph, Federal Recreation Director, will take the heavy boxes of "treasure" to be hidden and under heavy guard will secretly depart for University Park.

At 10:00 a. m. two separate groups of boys and girls will be turned loose to start the treasure hunt. Boys and girls under five years of age will be turned loose in one section of the park to do their searching. Another hunt will be staged in another portion of the park for children over five years, up to 13.

Here's a tip to the prospective hunters:

Now that you know the location where the "treasure" is to be hidden why not be a real sleuth and look over probable places the two hiders will secrete their heavily loaded boxes, then when the official word is given to start the search you will know the territory and have an edge on your fellow detectives.

The reward for the fortunate searchers? Well, why go on?

The big hunt will be the annual Easter Egg Hunt, staged by the Albany Recreation Department. The Ladies Auxiliary of the American Legion has donated nearly 800 large Easter eggs to be hidden at strategic points in the park.

Many prizes were donated by the

following merchants of Albany: Hartley's Dress Shop, Hulberts Store, O'Brien's Hardware and Shaw's Hardware Stores, Roberts Dairy Bar, all located on Solano Avenue. The San Pablo Avenue merchants are: Repps Drug Store, Douglas Pharmacy, Albany Variety Shop, Albany Bargain Spot and Mr. Walters.

Following the hunt there will be races of all descriptions. There will be a 50, 75 and 100-yard dash, three-legged races, obstacle races and sack races. Winners of the races will receive large candy eggs as awards.

Attending the National Recreation Conference in Salt Lake City this week along with heads of hundreds of recreation departments will be three members of the local department.

Thomas L. Farnsworth, director of recreation for the City of Albany, left Monday morning to drive to the Utah city. Accompanying him were Eva Peterson, Leader at Marin School, Margot Lochhead, handicraft expert of the Federal Project and Mrs. Farnsworth.

The party will stay in Salt Lake City until the completion of the convention, after which they will be guests of relatives of Mrs. Farnsworth, a short distance from the Mormon city.

The party will be away from Albany for 10 days, making a hurried return trip to be home in time for the Adult Community Sing to be staged by the recreation department.

In Farnsworth's absence, Edwin S. Howell, department supervisor, will be in charge of all recreational activities.

Extensive preparations are being made by the entire personnel of the Albany Recreation Department and its Federal Recreation Department to make the Adult Community Sing, scheduled for Marin School Auditorium, Friday night, April 22, the most successful "sing" staged by the local department. Each of the previous affairs was a huge success drawing a capacity crowd of over 500 at each affair.

Arrangements have been made with the Federal Music Project to bring Howard Tressell's Orchestra to furnish the dance music and part of the stage presentation. As this "sing" is to be for adults only (persons over 21) and there is to be a mixture of old time waltzing and square dancing. Tressell is rehearsing his group of stellar musicians on special numbers to include both swing music and tunes of the "Gay Nineties."

Thomas L. Farnsworth, director of recreation for the Albany Recreation Department will introduce the various performers and act as master-of-ceremonies for the fun frolic. Edwin S. Howell, department supervisor, will lead the audience in the community singing.

Howell is lining up a talented group of local and other performers for the stage show. A major portion of talent for the show will be drawn from members of the local recreation project.

As usual a large selection of song slides with the verses of modern, swing, old time, novelty and sweet numbers on them have been gathered for the singing portion of the show.

The general public is invited free to all the "sings" staged by the local department. The public is urged by heads of the department to put in an early appearance at the auditorium the night of the show to assure themselves of a seat.

But It's True

Mr. Reiter's face is a blank from the nose down to the chin. His congregations are made up of normal people, not mutes. They have learned the sign language just to be able to "hear" what he has to say. He is fed through a tube which enters his stomach.

Fred Repp of the Albany Pharmacy and Neil Crowley drove to Lake Tahoe Wednesday to look over the former's summer cottage, returning to Albany last night.

Mr. and Mrs. Ed Ryken were among those attending the funeral Wednesday of Richard Powers in San Leandro. Mr. Powers, an uncle of the local woman, is a retired Southern Pacific Company employee.

What helps business, helps you!

AT ALBANY HIGH SCHOOL

By Frances Binante, Publicity Director

STUDENTS ON VACATION

A full week of freedom from the routine of school is being experienced this week by students of Albany High. Many began long treks into the hills, down to the beaches, while still others were content to stay at home and enjoy the vacation.

This Monday will see the cry echoed by mothers throughout the City, "Time to get up and go to school," and Johnny and Mary will once again set out.

ANNUAL TAKES FORM

Albany students will get a chance to see just what they look like, when the high school annual makes its appearance around June 1. The staff of the book has devoted much of their valuable time in order that the students would get the most for their money.

Next week will begin the task of collecting pledges for the annual. Students will publicize the book by presenting talks and everywhere the talk will be "The Annual."

SPORTS

By Bill Theilacker

NO REST FOR COUGARS

While their fellow classmates were basking in the bright California sunshine, Albany High School athletes were going through the Easter vacation attending practice sessions, the purpose of which was to add "polish" to the fundamentals of their games.

After meeting two of the strongest

nines in the A. C. L. Alameda and Berkeley, and losing to both after close battles, Kelly Bryan, Cougar mentor decided that a little practice would be necessary if Albany is to finish at the top of the league.

The boys attended school all week on the local lot, commencing practice at 10 a. m., and quitting at the noon whistle. A double header was played against Emeryville Tuesday, in which the Cougars won by scores of 14-2, and 3-2. In this way Bryan has been able to test his squad which should be in top form for their game with Hayward after the vacation.

Bringing home the bacon in the form of a third place win over opponents at Davis last Saturday, the Cougar trackmen are now going through a heavy period of "speed burning" in preparation for the A. C. A. L. trials and finals to be held on May 4 and 6 at Berkeley's Edward's Field.

Track boss Brown's boys copied the third place by placing 27 markers against other cinder artists. One record was smashed by Captain Don Ward, when he jumped a distance of 21 feet 2 inches to win the broad jump. Welt of Hollister set the previous prep record on the Davis track in 1937, when he registered 21 feet 1 1/2 inches. Ward also took first in the high hurdles and low hurdles to tally 15 points. His teammates made the remainder of the points.

Scout Mothers Of Troop 46 in Active Session

Scouting Mothers of Troop No. 46 met at the home of their new president, Mrs. Celia Savio, 977 Kains Avenue, last Tuesday.

The evening was spent discussing coming events for the year. Activities will be started with making personal equipment bags for every boy of the troop.

The first monthly whist party is scheduled for Friday evening, May 13, at Mrs. Savio's residence. Playing will start at 8 o'clock and there will be a prize for every table. Mrs. Renee Anderson, Mrs. Grace Bishop and Mrs. May Brooks will be the refreshment hostesses.

Auditors elected for the coming term were Mrs. May Brooks, Mrs. Irene May and Mrs. Lorraine Prindle.

Mrs. Vendda Stewart will entertain the group when they hold their next regular meeting at her home, 728 Adams Street, on Tuesday, April 26.

Those present at the meeting were Mrs. Renee Anderson, Mrs. May Brooks, Mrs. Eileen Kaer, Mrs. Alice Marks, Mrs. Irene May, Mrs. Anna Mazzoni, Mrs. Celia Savio, Mrs. Pearl Shaeffer, Mrs. Vendda Stewart, Mrs. Lorraine Prindle, Mrs. Gladys Tyler, Mrs. Jewel Rubenstein and Mrs. Rosamaria Penaloza.

Color Film to Show at Cerrito

One of the most beautiful pictures ever made in technicolor of the great outdoors, "Trail of the Lonesome Pine" with Fred MacMurray and Sylvia Sydney heads the program opening at the Cerrito Theatre tonight. Sharing it is the western star, John Wayne, in a fast action picture, "Idol of the Crowds."

At the kiddies matinee last Saturday Ronald Lockton was the lucky winner of a boys' bike. Ronald is 8 years old and is very happy. Another bicycle is to be given away again this Saturday at the kiddie matinee, in addition to a big four-unit show, it is announced.

R. Harford Has Insurance Line

Announcement that he is now handling all lines of insurance is made by Roy Harford, 813 Masonic Avenue, for more than nine years a representative of the California State Automobile Association.

He is maintaining offices in his home, where he has resided for the past 10 years, and will be glad to meet his many patrons and friends at the address given above.

ALBANY POST

NO. 222

With the new meeting time set by the Post as 8 p. m. sharp, and closing at 10 p. m., some of the members at the last meeting were agreeably surprised. As this was the mandate of the Post for all time the regular meeting tonight will also start at 8 o'clock. The business will be run through in jig-time so that time can be given the members who are in the cast of "Sunny Skies" to "strut their stuff" before Miss Hoobing, the director from Frostoria, Ohio.

For those members who are not in the cast, the entertainment committee has arranged to have a "hay-wire orchestra" to sing and play while they take on "coffee and" in the banquet room after the meeting.

There will be several items of important business to be settled including the final reading before the vote on a change in the constitution and by-laws in reference to election of delegates to the Department convention and the time and election of officers to serve the Post for the next year. It is proposed to hold the election of officers in July instead of September as is now provided by the laws of the Post.

A large class of candidates will be initiated by the Post officers at tonight's session.

Nelson Eddy and Eleanore Powell On Albany Bill

"Rosalie", M. G. M.'s incomparable musical triumph starring Nelson Eddy and Eleanore Powell is the Albany Theatre offering for Saturday, Sunday, and Monday, together with a companion picture titled "West of Shanghai", featuring Boris Karloff, Beverly Roberts and Ricardo Cortez. Said to be packed with thrills, drama and action, the story tells what happens to Americans held captive in a war-zone. A comedy and news reel round out this excellent program with a serial specially provided for the youngsters Saturday matinee only, while the usual Saturday night stage event will be held.

Tuesday and Wednesday, April 19 and 20, "I'll Take Romance" featuring Grace Moore and Melvyn Douglas will share screen honors with a second feature, "Devil's Saddle Legion" starring Dick Foran, the singing cowboy. Unusual short subjects and latest news events complete the bill.

Completing the week, "Bad Man of Brimstone" and "City Girl" will be shown Thursday and Friday, April 21 and 22. The former picture is an M. G. M. production starring Wallace Beery and Virginia Bruce while "City Girl" is regarded as a sensation-filled drama vividly portraying a city prosecutor as a fearless racket buster. Ricardo Cortez and Phyllis Brooks are co-starred.

Why Suffer Longer Than Necessary?

Dr. Miles Anti-Pain Pills Relieve Quickly

DR. MILES ANTI - PAIN PILLS were made for just one purpose—to relieve pain. Users write that they "work like magic". They contain an effective, quick-acting, analgesic—pain reliever.

Try Dr. Miles Anti-Pain Pills before you lose a day's work—and pay—or break a social engagement because of HEADACHE, MUSCULAR, PERIODIC, OR NEURALGIC PAINS. They may be just what you need to relieve your pain and

put you back on your feet again "rarin' to go".

DR. MILES ANTI - PAIN PILLS act quickly. You don't have to wait forty minutes to an hour for them to take effect as is the case with many analgesics. You'll get action in from ten to twenty minutes.

DR. MILES ANTI - PAIN PILLS are pleasant to take, handy to carry, prompt and effective in action, and do not upset the stomach. Their cost is small. One, or at most, two, is usually sufficient to relieve.
